HYPER ZAUM

MANIFESTO

1. An expression of abstract musicality—"papier musique" for deafness.

2. Coloration of negative primary values. Retro-semiotics turned on itself.

3. Every imagination deconstructs the code. No mind the dissertation of marks.

4. An alphabet of centuries & a cross-section of graphist articulations.

5. Visual Poetry factory hands rise & revolt. Oppression is beneath all great art.

6. All wild leaps of fancy still land on earth.

Der Mickel And and Liz Was! I recently received your add-forms  
from Shozo Shimamoto. I filled <sup>three</sup> ~~two~~ of them and I send back  
them now. „MAG/НОЛЬ/и я" equals „magic/zero/and I am",  
but all of this words developed in other word: „magnolia"—  
name of caucasian flower. It is my old short poem, and others  
poems was wrote about old Russian letter „t" and A. Pusckin.  
„t" is my favorite letter in my Zaoum poems, because it had  
reading „ЯТЪ" and abridge the longest Russian words such as  
for example „оскорблѣнѣ" („оскорблѣт") in my poems. Excuse me, please,  
my English !!! Best wishes! Segay
